General Upload Guidelines

General Content Authenticity

- Always be sure to only upload files that you yourself have created
- Uploads can be either fully original pieces or remixes/mashups with proper attribution in the description

Maturity Rating

Content Uploaded to this site must be appropriately rated utilizing the system provided.

Tame Content Guidelines

Language

May contain some profanity; however, language is not used in a sexual context. Dialogue may be suggestive, contain sexual innuendo, discussion of adult themes, and the expression of views and opinions that users may find offensive, disrespectful, or controversial.

Sexual Situations

Free of sexual or excessive fetish themes with exception of brief displays of affection, such as a kiss or hug.

Mature Content Guidelines

Language

Contains persistent use of profanity, sexual discussion, or other such language that otherwise would invoke arousal. This excludes sexual discussion through the lens of fetishistic topics. (A good rule of thumb: If it's a fetish, label it as Adult)

Sexual Situations

Contains mild sexual activity or themes such as implied sex acts, light or comedic sexual fetish references or behavior, or mild sexual situations or discussion.

Adult Content Guidelines

Language

Contains vulgar dialogue that is sexually explicit and/or contains reference to fetishes not common outside of general parlance (With the noted exclusion of Hypnosis.)

Sexual Situations

Contains explicit sexual content such as sex acts, explicit sexual situations or discussion, and extreme fetishes.
